

# That Kind of Love

[Alison Krauss](#)

(Michael McDonald) Who would sell their soul for love?  
Or waste one tear on compromise  
Should be easy enough  
To know a heartache in disguise  
But the heart rules the mind  
And the going gets rough  
Pride takes the fall  
When you find that kind of love I can't help feeling like a fool  
Since I lost that place inside  
Where my heart knew its way  
And my soul was ever wise  
Once innocence was lost  
There was not faith enough  
Still my heart held on  
When it found that kind of love Though beauty is rare enough  
Still we trust  
Somehow we'll find it there  
With no guarantee  
It seems to me  
At least it should be fair
