Oh That Feeling

Spain

Girl
Oh that feeling
That was the love
You've been needingGirl
Your heart's beating
Faster now
You ain't dreamingYes it was
That was loveDon't let it slip away
Love's there for you to take
Stop playing these games with fateGirl
You've been waiting
You feel so much
Has been forsakenGirl
Your heart's aching
For the touch
Love's awakenedYes it was
That was loveDon't let it slip away
Love's there for you to take
Stop playing these games with fate
Oh girl before it's too late
