Iron Man

Nico Vega

You are relentless in the way that you ask me
So many questions of my days in the city
I wish that I could tell you something
But I'm a hostage of my prideI'll take all the heat your packin'
Cause I'm an Iron Man
I'm an Iron ManYou are relentless in the way that you know me
And I'm a sheep when it comes to explain'
I wish that I could keep you happy
I wish that I could keep you youngPlease forgive me for the distance
But I'm an Iron Man
I'm an Iron ManLa Da La Da
Laaaa La Da La-Da [x 3]La La La La
Laaaa La La La-LaaaaYou are relentless in the way that you love me
And I'm afraid of the thoughts that you're makin'
I wish that I could know the difference
Between your smiles and your frownsNow I'm buried in the armor
Cause I'm an Iron Man
I'm an Iron Man
