

# Careless Memories

## Duran Duran

So soon just after you've gone my senses sharpen  
But it always takes so damn long  
Before I feel how much my eyes have darkened  
Fear hangs in a plane of gunsmoke, drifting in our room  
So easy to disturb with a thought, with a whisper  
With a careless memory  
With a careless memory  
On the table signs of love lies scattered  
And the walls break with a crashing within  
It's not as though, as though you really mattered to me  
But being close how could I let you go  
Without some feeling some precious sympathy following  
Fear hangs in a plane of gunsmoke, drifting in our  
room  
So easy to disturb with a thought, with a whisper  
With a careless memory  
With a careless memory  
With a careless memory  
I've walk out into the sun, I try to find a new day  
And the whole place just screams in my eyes  
Where are you now 'cause I don't want to meet you  
I think your die, I'd laugh at you  
I know I'd cry, what am I supposed to do follow you  
Outside the thoughts come flooding back now I just try to  
forget you  
So easy to disturb with a thought, with a whisper  
With a careless memory  
With a careless memory  
With a careless memory  
With a careless memory  
Look out  
Look out  
Look out  
Look out  
Look out
