

Motion of Mercy

[Francesca Battistelli](#)

I was poor, I was weak
I was the definition of the spiritually
Bankrupt condition so in need of help I was unsatisfied, hungry and thirsty
When you rushed to my side
So unworthy still you gave yourself away That's the motion of mercy
Changing the way and the why we are
That's the motion of mercy
Moving my heart Now I'm filled by a love that calls me to action
I was empty before, now I'm drawn to compassion
And to give myself away That's the motion of mercy
Changing the way and the why we are
That's the motion of mercy
Moving my heart Living for the lost, loving till it hurts
No matter what the cost
Like you loved me first
That's the motion of mercy, oh God give me strength to give something for nothing
I wanna be a glimpse of the kingdom
That's coming soon That's the motion of mercy
Changing the way and the why we are
That's the motion of mercy
Moving my heart Living for the lost, loving till it hurts
No matter what the cost
Like you love me first That's the motion of mercy
Moving my heart
Oh, to give yourself away
To give it all away
That's the motion of mercy
