

Loves Me Not (Promo DJ Dan Kopernik Extended Mix)

[t.A.T.u.](#)

I complicated our lives by falling in love with him
I complicated our lives, now I'm losing my only friend
I don't know why, I had to try, living my life on the other side
Now I'm so confused
I don't know what to do[Chorus]
He loves me, he loves me not
She loves me, she loves me not
He loves me, he loves me not
She loves me, she loves meI started blurring the lines because I didn't care
I started crossing the line, cause you were never thereNo where to turn,
No one to help,
It's almost like I don't even know myself
Now I have to choose
I don't know what to do[Chorus:Repeat x2]No where to turn,
No one to help,
It's almost like I don't even know myself
Now I have to choose
I don't know what to doHe loves me, he loves me not
She loves me, she loves me not
He loves me, he loves me not
She loves me, she loves me not
He loves me, he loves me not
She loves me, she loves me not
He loves me, he loves me not
She loves me, she loves me not
