

My Offering

Hallal Music

Verse 1

Master, Maker, my Creator,
You spoke and the world began
(From the dust) From the dust
You formed my heart,
so I give it back again

Chorus

This is my offering,
all that I'll ever be
All of my hopes and fears,
my joy, my tears,
Pouring out at Your feet
This is my offering

Verse 2

Mighty Healer, my Redeemer,
You are the Spotless Lamb
Conquered death to bring me life,
so I give it back again.

Chorus

Bridge

My soul (My soul)
My mind (My mind)
My thoughts (My thoughts)
My time (My time)
My will, my breath,
my very best,
Pouring out at Your feet

Chorus

This is my offering.
