

# All Around The World

## Boyz II Men

London, Paris, Monte Carlo, Germany and Rome  
Different places, different faces, still it feels like home  
China, Holland, Belgium, Rio, Africa, Japan  
That's the way we live and we do the best we can Here we go on another tour on the road again  
Feelin' good, it's alright  
Just enjoying ourselves  
Come and take a flight with Boyz II Men, back around the world  
And we're comin' through your town  
All we do is for you  
'Cause you've always been there  
And we appreciate you Keisha, Kelly, Tonya, Stacy, Mica, and Lashaun  
Kathy, Trina, Carla, Lisa, Cheri, and Diane  
All these girls around the world are fly in every land  
And it's hard to choose, but there's one for every man Here we go on back in stride again  
(On another tour)  
Feelin' good, it's alright  
Just enjoying ourselves  
Come and take a ride with Boyz II Men, back around the world  
And we comin', we comin' through your town  
All we do, we do it for you 'cause you've always been there  
And we appreciate you Houston, Phoenix, Carolina, Jersey, and the Keys  
Denver, Boston, Mississippi, Georgia, Tennessee  
Dallas, Cleveland, Cali, Philly, New York, and D.C.  
That's the life we live, it's the only life for me Here we go on the road again  
Feelin' good, it's alright  
Just enjoying ourselves  
Come and take a flight with Boyz II Men, back around the world  
And we're comin' through your town  
All we do, we do it for you  
'Cause you've always been there  
And we appreciate you Houston, Phoenix, Carolina, Jersey, and the Keys  
Denver, Boston, Mississippi, Georgia, Tennessee  
Dallas, Cleveland, Cali, Philly, New York, and D.C.  
All we do is for you  
'Cause you've always been there  
And we appreciate you Vegas, Alabama, Hampton, Indiana too  
Seattle, Kansas, Detroit, and Kalamazoo  
Memphis, Milwaukee, Chicago, you know  
All we do, we do it for you

'Cause you've always been there
