Give Up

FKA twigs

Tell me why I act this way
Tell me that I'll change someday
I'll be the one that can satisfy you
If I can rectify the
The few things I've got to change
The few things in my way
Ok so I've said it before and I won't imply that
You're not too close to the factJust nod your head and get up
I'm not gon let you give up babe
Just nod your head and get up
I'm not gon let you give up babeI know that sometimes you wish I'd go
Away, away
Just nod your head and get up
I'm not gon let you give up babeDo I get another chance?
Did I make the final stand?
Above the ones that are oh so perfect
Cause they know how to work it
Work it, work it
Looking like I'll keep it now
I made the cut
Ok so I've done it before and you think its an act
But I call this time a wrapJust nod your head and get up
I'm not gon let you give up babe
Just nod your head and get up
I'm not gon let you give up babeI know that sometimes you wish I'd go
Away, away
I know that sometimes you wish I'd go
Away, away
But I wish that you would know that I'm here
To stay, to stay
Just nod your head and get up
I'm not gon let you give up babeTell me what I've got to do
No no, don't give up
I'll do anything to make it better, babe
I'll do anything thi thi thi
Do you like it like that?
(Do you like it like that?)
Tell me what I've got to do
No no, don't give up

Cause I'll do anything to make you see me, baby
I'll do anything thi thi
I'll make it betterI know that sometimes you wish I'd go
Away, away
I know that sometimes you wish I'd go
Away, away
But I wish that you would know that I'm here
To stay, to stay
Just nod your head and get up
I'm not gon let you give up babeJust nod your head and get up
I'm not gon let you give up
