

La corrida (From "The Big Gundown")

Ennio Morricone

I am just one man with his one pair of eyes
I dress in normal clothes and I don't try to disguise
I'm looking out for love however it may seem
I never do return in the always winning team
Maybe I should try to live alone,
Or raise the flag of mercy to unknown
Maybe I should run and hide away
Until another day
Another crack in my heart,
Another picture on the wall
Another way to spend an evening
When there's no one there at all
Another kiss to say goodbye,
Another cross upon a chart
Another suitcase at the door
Another crack in my heart
In my heart
I had my spills and thrills of love
And held it in my hand
I held on tight until it broke
And I crashed to the ground
Love cannot be on my side
It's clearer every dull
That every time I reach for love
It always runs away
Maybe I should try to live alone,
Or raise the flag of mercy to unknown
Maybe I should run and hide away
Until another day
Another crack in my heart,
Another picture on the wall
Another way to spend an evening
When there's no one there at all
Another kiss to say goodbye,
Another cross upon a chart
Another suitcase at the door
Another crack in my heart
In my heart
