Sun Burns Down

Jin Akanishi

I got a one way ticket to Mars
Girl, where were going we dont need a car
Just take my hand and lets get out of here
Right nowAll up on my body all night
Silhouette is sexy in the moonlight
You dont have to be afraid to fly
Well be there before you knowSo baby lets go
Make love until the Sun Burns Down
Do the impossible
Make love until the Sun Burns DownJust follow me got what you need
Imma take you there
Just wait and see
So baby lets go
Make love until the Sun Burns DownI think I know just what you wanna do
A bed of roses aint enough for you
Next flight is leaving 30 minutes from now
I see that look in your eyesAll up on my body all night
Silhouette is sexy in the moonlight
You dont have to be afraid to fly, fly
Well be there before you knowSo baby lets go
Make love until the Sun Burns Down
Do the impossible
Make love until the Sun Burns DownJust follow me got what you need
Imma take you there
Just wait and see
So baby lets go
Make love until the Sun Burns DownHey girl we never do the regular
Extraordinary is the move
Ive got supernatural plans for you
So hold on tight and baby we can goSo baby lets go
Make love until the Sun Burns Down
Do the impossible
Make love until the Sun Burns DownJust follow me got what you need
Imma take you there
Just wait and see
So baby lets go
Make love until the Sun Burns Down
