

Heaven (my Angel, Pt. 2)

Bobby V

I think of her, what I've been looking for
Even though I saw you girl you were still ?
All this time girl lived as I ?
You have key to unlock my heart.
You keep me on ? I don't wanna fall down
Oh Please keep me high
I'm gonna stay on cloud all night
Not gonna miss up, oh not this time.

[Chorus]

Girl spread your wings and take me with you
So spend me the ?
Put your ? with you
I think that ? from heaven, heaven, heaven
I think I gotta be some heaven, heaven.

Incredible, after all these years
You're still beautiful
Wait, stop, ? lose control
I wanna fly, fly to cloud twenty four
That's where lovers go ? you like
You got my body, you got my mind,
That's when we're gonna go tonight
Not gonna miss up, no not this time

Girl spread your wings and take me with you
So spend me the ?
Put your ? with you
I think that ? from heaven, heaven, heaven
I think I gotta be some heaven, heaven.

Uh la la la, uh la la la la

[Chorus: x2]
