Mz. Hyde

Halestorm

In the daylight,
Iâ€™m your sweetheart,
Youâ€™re goody-two-shoes prude is a work of art
But you donâ€™t know me,
And soon you wonâ€™t forget,
Bad as can be, yeah you know Iâ€™m not so innocent

Better beware I go bump in the night,
Devil-may-care with a lust for life,
And I know you,
Canâ€™t resist me,
Soon though you,
Are so addicted
Boy you better run for your life!

Welcome to the nightmare in my head, (Oh god!)
Say hello to something scary,
The monster in your bed, (Oh god!)
Just give in and you wonâ€™t be sorry,
Welcome to my other side,
Hello itâ€™s Mz Hyde!

I can be the bitch,
I can play the whore,
Or your fairytale princess who could ask for more
A touch of wicked,
A pinch of risquÃ©,
Good girl gone bad, my poison is your remedy

Better be scared, better be afraid,
Now that the beast is out of her cage,
And I know you,
Wanna risk it,
Soon though you,
Are so addicted
Boy you better run for your life!

Welcome to the nightmare in my head, (My god!)
Say hello to something scary,
The monster in your bed, (My god!)

Just give in and you wonâ€™t be sorry,
Welcome to my evil side,
Hello itâ€™s Mz Hyde!
Hello itâ€™s Mz Hyde!
Hello itâ€™s Mz Hyde!

Iâ€™m the spider crawling down your spine,
Underneath your skin
I will gently violate your mind,
Before I tuck you in
Put on the blindfold
Thereâ€™s no way to be sure,
Which girl youâ€™ll get to know!
(Itâ€™s me Lizzy, I swear)

Welcome to the nightmare in my head, (My god!)
Say hello to something scary,
The monster in your bed, (My god!)
Just give in and you wonâ€™t be sorry,
The nightmare in my head, (Oh god!)
Say hello to something scary,
The monster in your bed, (Oh god!)
Just give in and you wonâ€™t be sorry,
Welcome to my evil side,
Hello itâ€™s Mz Hyde!
Hello itâ€™s Mz Hyde!
