

Watermark

AndrÃ© Obin

Cursum Perficio

Cursum perficio.

Verbum sapienti:

Quo plus habent,

Eo plus cupiunt.

Post nubila, Phoebus

Iternum

[Translation]

I am making an end to my course.

A word to the wise:

The more (people) have

The more they want.

After the clouds, Phoebus

Over and over again
