

It Was Fear Of Myself That Made Me Odd

[Alexisonfire](#)

(Breathe in all the air)Spinning, arms spread
Crushing the tops of mountains
With my hands
As I dive into the Pacific
I flood the shorelinesAnd I exhale
Causing the oceans' endless waves
As I emerge
Shaking the wreckage from my hair
With my handsI want to breathe
Life into the Dead SeaAs this rain forest
Falls beneath my knees
I want to breathe
Life into the Dead SeaBelow, where is your boat?
You are slow, you are slowI will play, the sky is black
Breathe in all the air
Exhale and choke the land with carbon
From where I stand
I can see the curvature of the Earth
And I want to make it flatI will play, the sky is black
I will play, the sky is black.
