

Out of Blue Comes Green (Alternate Mix)

a-ha

Father
My wings are clipped
See the steps that made me trip
Now I'm so lonely
Mother
Time's frozen flame
Seem to linger in the rain
Holding me only
Like a river I'm flowing
And there's no way of knowing
If I'm coming or going
I need something to chain me down But it don't matter
My eyes have seen,
For better
Out of blue comes green Mother
I have gone wrong
Work my fingers to the bone
All I've been doing
Father
Proud that I am
To be born into such hands
Your love so renewing
And I know I can lose it
Part of life you can't choose it
As I touched the horizon
It just felt like I'd die soon Don't matter
My eyes have seen
For better
Out of blue comes green
