

God Is Love

Planetshakers

Oh yeah, yeah, yeah
God is love, God is love
If you wanna find love
You gotta find God
God is love, God is love
If you wanna find love
You gotta find God
Say it with me
God is love, God is love
If you wanna find love
(Gotta find God)
You gotta find God
(God is love)
God is love, God is love
(God is love)
If you wanna find love
(Yeah, yeah, yeah)
You gotta find God
God is joy, God is joy
If you wanna find joy
You gotta find God
God is joy, God is joy
If you wanna find joy
You gotta find God
Won't you say it with me?
God is joy, God is joy
(God is joy, yeah)
If you wanna find joy
(Wanna find joy)
You gotta find God

(God is joy)
God is joy, God is joy
(God is joy, ooh)
If you wanna find joy
(Gotta find God)
You gotta find God
God is peace, God is peace
If you wanna find peace

You gotta find God
God is peace, God is peace
If you wanna find peace
You gotta find God, oh yeah
God is peace, God is peace
(God is peace, oh, oh)
If you wanna find peace
(Wanna find peace)
You gotta find God
(God is peace)
God is peace, God is peace
(If you missed [incomprehensible])
If you wanna find peace
You gotta find God
God is love, God is love
If you wanna find love
If you wanna find joy
If you wanna find peace
You gotta find God
Gotta find God
Gotta find God
