

# Wait a Minute

Alan Jackson

Wait a minute  
Did I hear you say you're going far away again?  
Try to change it  
I can't take the lonely nights without your loveDoing the road  
Get the music done and move along  
What good does it do?  
To play your songs for her and hear her sayWait a minute  
Did I hear you say you're going far away again?  
Try to change it  
I can't take the lonely nights without your loveYou're rollin' along  
Life's been good to you and even so  
She comes to you  
Late at night's the time you hear her say once againWait a minute  
Did I hear you say you're going far away again?  
Try to change it  
I can't take the lonely nights without your loveTry to change it  
I can't take the lonely nights without your love
