## Enter Shikari

Shit! shit!

I've been hiding here for a thousand years, waiting for your ghost  
I've been hiding here for a thousand years, waiting for your ghost  
Your life's about to flash before your eyes  
Your life's about to flash before your eyes

Stand your ground, this is ancient land  
I was guided here by the spirits hand  
We shall meet, at hells gate  
This is fate this is fate this is fate this is fate

Not all is lost the spirits shriek  
You will be hunted we shall seek  
Perseverance, turn the page  
Enter shikari enter shikari

We're not hiding we're not hiding  
We're not hiding we're not hiding  
We're not hiding now we're not hiding now

I'm in the zone

Alright!

And still we will be here,  
Standing like statues  
And still we will be here,  
Standing like statues
