Stars

Switchfoot

Maybe I've been the problem
Maybe I'm the one to blame
But even when I turn it off and blame myself
The outcome feels the sameI've been thinking maybe I've been partly cloudy
Maybe I'm the chance of rain
And maybe I'm overcast
And maybe all my luck's washed down the drainI've been thinking 'bout everyone
Everyone you look so lonelyBut when I look at the stars
When I look at the stars
When I look at the stars, I see someone else
When I look at the stars
The stars, I feel like myselfStars looking at a planet
Watching entropy and pain
And maybe start to wonder
How the chaos in our lives could pass as saneI've been thinking 'bout the meaning of resistance
Of a hope beyond my own
And suddenly the infinite and penitent
Begin to look like homeI've been thinking bout everyone
Everyone you look so emptyBut when I look at the stars
When I look at the stars
When I look at the stars, I see someone else
When I look at the stars
The stars, I feel like myself, yeahStars, stars
Everyone, everyone feels so lonely
Everyone, yeah everyone feels so emptyWhen I look at the stars
When I look at the stars
When I look at the stars, I feel like myself
When I look at the stars
The stars, I see someone
