behind that girl
do it again rewind that I could be
the drum to your high hat dope boy fresh
like i'm bringing 89 back money on my

quite flat I could be
your husband for the night let me wife

this is destiny and
you can't deny that,
sweetness what you
drinking what you
got poppin the rest of
the evening what you think about
me and you leaving you and me
creeping my little
secret in here working
sweating out your hair hit the
balcony for a breath of fresh airCHOURS X2:
