Naked

Leona Lewis

You could have left me on a Friday
Would have loved to had least had the weekend
To go under and
To stay under
To get better
To stay betterBut you had to pick a Monday
Now I gotta go to work
And get through five days
And get through it
And if I cant do it
And no, I cant do it[Chorus]
There's a heartbreaking chill running t
Through my bones
I got my clothes but I can't really feel them on
Oh no
Whatever I do
I'm naked
I'm naked
Without youCan't go out, can't go home, can't go anywhere
Covered up but I'm still watching people stare
Oh no
Now what can I do
I'm naked
I'm naked
Without youTryin' focus to go un-noticed
But the harder I try I see them looking
And I can't do it no
They see through it yeah
They see through it[Chorus]Inside out
Still hiding
Outside I'm just too exposed
I know that I should let goOhh, that I miss you[Chorus]Now what can I do
I'm naked
I'm naked
Without you
