Another Fix

Jungle Rot

The pathetic slut, a walking nightmare -
a reason to kill, is a reason to fuck -
the fat hairy puss mosnter,
is calling to get slapped -
how many moons have passed -
since I've fallen to the crack -
revolting - is the wench - the pig -
can't get enough - degraded -
the jizz tasting scumbag cum guzzling slut -
no pity for your face, it should be lit in flames -
your body's quite decayed,
self abuse the game -
now the fuckin slutty bitch,
is begging for some more -
she needs another fix -
then you throw her out the door.
