Till I Lost

Tom Odell

A coffee stain on window sill
A bad translation to a foreign film
Just wondering round with you
Just wondering town with you
Oh oh oh
Would be enoughThe tiny cracks on the city stone
A welcome back to your troubled home
Just wondering round with you
Just wondering town with you
Oh oh oh
Would be enoughOh oh oh oh oh oh oh
I didn't see until i crossed
Oh oh oh oh oh
I didn't feel your love until i lostThe moving shadows on your swaying lights
Or you picture notes of porcupines
Just wondering round with you
Just walking this town with you
Oh oh oh
Would be enoughOh oh oh oh oh
I didn't see until i crossed
Oh oh oh oh oh
I didn't feel your love until i lostOh oh oh oh oh
I didn't see until i crossed
Oh oh oh oh oh
I didn't feel your love until i lost
