Wholy Holy

John Legend & The Roots

Wholy holy
Wholy holy
Come together
WholyPeople we got to come together
Because we need this strength, power and all
The feeling
Wholy holy, yeah
Wholy holyWe still believe in each other dreams
We got to come on get together,
Because we need this strength, power and all
The feeling
C'mon wholyWe can conquer
We can conquer
This thing called hate forever
Wholy holy
WholyJesus left a long time ago,
And he said he would return
Left us with a book to believe in
In this book
In this book
We gotta
Whole lot to learn
Wholy holy
Wholy holyDo you know we can
Rock the world's foundation
Wholy holy
Wholy, yeahJesus left and he said that he would return
But he lefts us a book to believe in
In this book
In this book
We gotta
Whole lot to learn
Wholy holy
Wholy
Wholy holyWe can conquer
This thing called hate forever
Wholy holyC'mon come together
People we got to come together
Cause we need the strength power

Feel it
Come together
We can rock the world's foundation
Wholy holyWe got to come together
Because we need the strength the power and all
The feeling
Wholy holy
