One Week Later

ONE WEEK LATER
WITH WEBB PIERCE
Writer Gary Walker
One week later oh how I cried
Just one week later I wish I could die
You were so sure you could forget me
You didn't want me by your side
When someone new came and took you
I thought I would be glad to say goodbye
One week later I hurt deep inside
One week later my tears I couldn't hide
One week later oh how I cried
Yes one week later I wish I could die
I prayed for god to forgive me
Yes you broke a heart true as good
But now I relived every moment
We'll regret it until we grow old
One week later I hurt deep inside
One week later my tears I couldn't hide
One week later oh how I cried
Yes one week later I wish I could die
