

Rescue Me (How the Story Ends)

[Kerrie Roberts](#)

This waking nightmare lingers
When will the mirror stop tellin' lies?
I don't know where I've been or where I'm goin'
But I can't do it alone
I'm reaching out...

Rescue me
Show me who I am
'Cause I can't believe this is how the story ends
Fight for me
If it's not too late
Help me breathe again
No, this can't be how the story ends...

I'm wrapped up and waiting for you
I've lost so much more than I'll ever know
The past, the truth forgotten
Find me now, before I lose it all...
I'm cryin' out...

Rescue me
Show me who I am
'Cause I can't believe this is how the story ends
Fight for me
If it's not too late
Help me breathe again
No, this can't be how the story ends...

Rescue me
Show me who I am
'Cause I can't believe this is how the story ends
Fight for me
If it's not too late
Help me breathe again
No, this can't be how the story ends...
