

# Because I Love You

## Digital Rockers

If I got down on my knees and I pleaded with you  
If I crossed a million oceans just to be with you  
Would you ever, let me down?  
If I climbed the highest mountain just to hold you tight  
If I said that I would love you every single night  
Would you ever, let me down?  
Well, I'm sorry if it sounds kinda sad  
It's just that I'm worried  
So worried that you'll let me down  
Because I love you, love you  
Love you, so don't let me down  
If I swam the longest river just to call your name  
If I said the way I feel for you would never change  
Would you ever, fool around?  
Well, I'm sorry if it sounds kinda sad  
It's just that I'm worried  
So worried that you'll let me down  
Because I  
(Love you, love you)  
Love you, love you  
Well, I'm sorry if it sounds kinda bad  
It's just that I'm worried  
Yes, I'm so worried that you'll let me down  
Because I love you, love you  
Oooh, I love you, love you, love you
