

Uh Uh, Uh Uh

Isyss

Uh Uh, Uh Uh, Uh Uh, Uh Uh, Uh Uh, Uh Uh
Uh Uh, Uh Uh, Uh Uh, Uh Uh, Uh Uh, Uh Uh I know you been checking for me, I know you are feeling me
I see your eyes looking at me, I know you wanna get with me
Always will be a lady, I ain't down for that two or three
Need to know who you're down for, tell old girl to hit the door Can we keep it on the low, Uh Uh, Uh Uh
She ain't got to know, Uh Uh, Uh Uh
If you're down for sure tell old girl to hit the door
Can I see you in your thong, Uh Uh, Uh Uh
Do it all night long, Uh Uh, Uh Uh
If you want to get it on, tell old girl to get gone Always all good when you're with me, always keep myself at
ease
I don't trip on who you meet, long as you know respect me
Always will be a lady, no a** without commitment to me
Need to know do you agree, cool then tell her you're with me Can we keep it on the low, Uh Uh, Uh Uh
She ain't got to know, Uh Uh, Uh Uh
If you're down for sure tell old girl to hit the door
Can I see you in your thong, Uh Uh, Uh Uh
Do it all night long, Uh Uh, Uh Uh
If you want to get it on, tell old girl to get gone Can we keep it on the low, Uh Uh, Uh Uh
She ain't got to know, Uh Uh, Uh Uh
If you're down for sure tell old girl to hit the door
Can I see you in your thong, Uh Uh, Uh Uh
Do it all night long, Uh Uh, Uh Uh
If you want to get it on, tell old girl to get gone Bridge
If you really want to get down with me
If you really want to get freaky with me
Dance with me, dance with me
If you really want to get down with me
If you really want to get freaky with me
Dance with me, dance with me Can we keep it on the low, Uh Uh, Uh Uh
She ain't got to know, Uh Uh, Uh Uh
If you're down for sure tell old girl to hit the door
Can I see you in your thong, Uh Uh, Uh Uh
Do it all night long, Uh Uh, Uh Uh
If you want to get it on, tell old girl to get gone Can we keep it on the low, Uh Uh, Uh Uh
She ain't got to know, Uh Uh, Uh Uh
If you're down for sure tell old girl to hit the door
Can I see you in your thong, Uh Uh, Uh Uh
Do it all night long, Uh Uh, Uh Uh

If you want to get it on, tell old girl to get gone
If you really want to get down with me
If you really want to get freaky with me
Dance with me, dance with me
If you really want to get down with me
If you really want to get freaky with me
Dance with me, dance with me
