

If I Drink This Beer (feat. Will Chase)

Nashville Cast

if I drink this beer
I'll probably have two, three
If I Know me
I'll be digging up past
Like it's money in the backyard

If I drink this beer
I know it's gonna seem like a good idea
To call you up in the middle of the night
And tell you how I feel

So why don't you just put it down
Last thing I need to do tonight
Is push my luck, drunk, get all messed up
Now you'll never find a guy like me

If I drink this beer
I know it's going to leave you bored
The night is short
What would I do if knocked on your door
And your boyfriend answer

If I take just one sip
It's going to get ugly quick
Man it's tough
'Cause I'm in love
And I need to ease the pain
