

Lone Ranger

The Living End

I wanna be the lone ranger
Protect the innocent from danger
And I just wanna be that man
Kemosabe silver bullet man I wanna be the lone ranger
Fill my life with sex and danger
I wanna be, yeah, I wanna Be the mystery, man of honor
He's just one man, does what he can
Friends with an Indian Alternative of the wild west
Spotted horse, clean clothes and sparkly vest
So hi ho silver in away
'Cause here I come to save the day I wanna be the lone ranger
Fill my life with sex and danger
I wanna be, yeah, I wanna Be the mystery, man of honor
And so we ride side by side
We never collide I just wanna be that man
Riding by the Rio Grande I wanna be the lone ranger
Fill my life with sex and danger
I wanna be, yeah, I wanna Be the mystery, man of honor
He's just one man, does what he can
Friends with an Indian
