Till The Rivers All Run Dry

Pete Townshend

Till the rivers all run dry
Till the sun falls from the sky
Till life on earth is through
I'll be needing youI know sometimes you may wonder
From little things I say and do
But there's no need for you to wonder
If I need you cause I'll need youTill the rivers all run dry
Till the sun falls from the sky
Till life on earth is through
I'll be needing youToo many times I don't tell you
Too many things get in the way
And even though sometimes I hurt you
Still you show me in every way
