

Dear Death, Pt. 1

Emery

Just hear me out
This was all my fault
Now you brought me death
And its everything I wanted

Its the wrong side of fear that kept me out
Its the wrong inside that fills my mouth
Has left me without, in this darkness i've given my ground

But no, this night will be mine
But no, this night will be mine
Will be mine

Esta Noche Sira Meya
Esta Noche Sira Meya
Esta Noche Sira Meya
Esta noche Sira Meya
