Home In the Sky

JJ Grey & Mofro

I'm the wild that's crying
I'm the light dividing
I'm the space that lies in between you and meI'm the wind that's blowing
I'm the deepest knowing
I'm that mockingbird when he starts to singHe tells a story
Of all the glory
He leads a way, he leads me onTo my home in the sky
To my home in the sky
There's no reason why
'cause Heaven knows
I'm the muse that's dreaming
Of the words and singing
I'm that moment when you finally let goI'm the inspiration
I'm the one who's listening
I'm the joy that knows no opposites or darknessThe silence in the stone
Yeah my only throne
A scent in the pines leads me onTo my home in the sky
To my home in the sky
There's no reason why
'cause Heaven knowsLord I can see that you're speaking
But I can't hear what you're trying to say
'Cause the words they shackle and chain me
I'm on my way, I'm on my way
To my home in the sky
To my home in the sky
There's no reason why
To my home in the skyI'm going home
