Moon zappa (vocals)It's a miserable friday night

I'm so lonely

And nobody'll give me a ride

To the grateful dead concert...oh rats!I got to be free

Free as the wind

Free is the way

I got to beMaybe I'm lost

Maybe I sinned

I got to be

Totally freeOur parents don't love us

Our teachers they say

Things that are boring

So we're running away

And we will be free

And people will see

That when we are free

That's the way we should beNothing left to do but get out the 'ol

Glue

(sniff it good now...)Our parents don't love us

Our teachers they say

Things that are boring

So we're running awayAnd we will be free

And people will see

That when we are free

That's the way we should be  
(we must be free!)  
The glue! the glue! I can't find the glue!  
(we must be free as the wind)  
If I was at the concert now, I'd be ripped!  
(we were free when we were born)  
I could tighten my headband for an extra rush  
During jerry's guitar solo  
Then I could go to a midnite show of 200 motels!  
(we were born free, but, now we are not free anymore!)  
"opal, you hot little bitch!"  
"you can take this pin n' hang it in yer ass!"  
"you ain't the devil!"  
"where's my waitress? "  
But we wanna be free  
An' were gonna be free Yes, we want to be free and we're gonna be free  
... did you know that  
Free is when you don't have to  
Pay for nothing  
Or do nothing  
We want to be free  
Free as the wind Free is when you don't have to  
Pay for nothing  
Or do nothing  
We want to be free  
Free as the wind Free is when you don't have to  
Pay for nothing  
Or do nothing  
We want to be free  
Free as the wind Free is when you don't have to  
Pay for nothing  
Or do nothing  
We want to be free  
Free as the wind
