

# Here It Comes

## 16 Frames

There's no sleeping here tonight  
Who was wrong and what is right  
It isn't black it isn't white  
It's only gray

Now there are things that we can do  
Like makin' peace to make it through  
It isn't always up to you  
By the way

Here it comes  
Here it comes  
We can brace for it  
Or we can run  
There we go  
There we go  
We're still afraid of all the things we can't control

So here's a typical surprise what was right before our eyes  
It wasn't yours it wasn't mine it was only there  
So if it hasn't hit you yet  
All the things we might  
You can't keep more than you left  
By the way

Here it comes  
Here it comes  
We can brace for it  
Or we can run  
There we go  
There we go  
Still afraid of all the things we can't control

Oh I'm so wasted  
From all this conversation  
I'm so frustrated  
You keep on changing lines on me  
I'm so wasted from all this communication  
I'm so frustrated, ya

Now, there are things we can do  
Like making peace to make it through  
It isn't always up to you  
By the way

Here it comes  
Here it comes  
We can brace for it  
Or we can run  
There we go  
There we go  
Still afraid of all the things we can't control  
Still afraid of all the things we can't control  
Still afraid of all the things we can't control
