

# If I Changed

Pixie Lott

Spoken:

- What's the matter with you, you seem so sad? Didn't he take you to the movies?

- I just don't get it.. He says I'm not this enough, he says I'm not that enough.. Why can't he just like me the way I am?Chorus:

If I changed for you, would you like me, like me more?

If I came to you, would it be different, than before..Verse 1:

Don't wanna let get go but you've got to know, what you're asking o me is impossible, it's up to you if you want to see this through and take me as I am.

(Do it do it do it my way) Take me as I am (Do it do it do it my way)Chorus:

If I changed for you, would you like me, like me more?

If I came to you, would it be different, than before..Verse 2:

If I did it your way, you should say I would, it wouldn't be me and you'll see me unhappy, someday you should understand the way I am.. and take my way.

(Do it do it do it my way) And do it my way (Do it do it do it my way)Bridge:

So if changed for you, it wouldn't be good so I guess I should .. Change you..

(Do it do it do it my way) Changeeeeeee you! - Cos I'm gonna replace ya baby (Do it do it do it my way)I Cant hate you any longer baby - This mess wont make are life stronger .. No No No No No gotta move on, with or without you .. yeahhhh..Chorus:

If I changed for you, would you like me, like me more?

If I came to you, would it be different, than before..(Do it do it do it my way) My way baby (Do it do it do it my way).
