

# Jet Black Girls

## OFF!

Had to get out  
From our second hand world  
To a cinder block warehouse  
With jet black girls  
Racing away  
From the carpeted walls  
Out in the night  
Immortality calls  
Six pack of tall boys  
Shoved down my pants  
My life was saved  
By Darby Crash  
Co Co puffs  
With Mr. Scratch  
Out in the night  
Immortality calls  
Inside the Masque  
With the Alley Cats  
Someone sprayed Fag  
Across my back  
My drunken crush  
On Mary Rat  
Out in the night  
Immortality calls
