

# Champagne Jam (Tokyo, Japan 1978)

## Atlanta Rhythm Section

Come on, Mama, give me a break  
Me and the boys are going to stay out late  
I cant help it, its in my bones  
Well be jammin' all night long  
Gonna play up a storm, yes ma'am Were goin' to have us a champagne jam  
Were goin' to have us a champagne jam  
Ooh, hoo Bring out the guitars  
And let's play some blues  
Dont want no whiskey  
Give me some high class booze  
Champ-champagne, thank you ma'am Were going have us a champagne jam  
Were going to have us a champagne jam, yeah  
So lets have some first class fun  
Everybody gonna play some Lets raise a ruckus, lets tie one on  
Bring out a bottle of Dom Perrione  
If they throw us in jail, we don't give a damn Were goin' to have us a Champagne jam  
So pour me some Champagne  
Thank you ma'am, thank you ma'am Were goin' to have us a Champagne jam  
Were goin' to have us a Champagne jam Yeah, yeah, yeah, yeah  
What do you say, whatchoo say, woo, hoo  
Thank you ma'am
