# Yer Blues

## Jeff Healey

Yes, I'm lonely want to die
Yes, I'm lonely want to die
If I ain't dead already
Ooh girl you know the reason whyIn the morning want to die
In the evening want to die
If I ain't dead already
Ooh girl you know the reason whyMy mother was of the sky
My father was of the earth
But I am of the universe
And you know what it's worth
I'm lonely want to die
If I ain't dead already
Ooh girl you know the reason whyThe eagle picks my eye
The worm he licks my bone
I feel so suicidal
Just like Dylan's Mr. Jones
Lonely want to die
If I ain't dead already
Ooh girl you know the reason why
