

# Diamond Eyes (OST - Saints Row: The Third)

## Deftones

To the edge  
Till we all get off  
I will take you away with me  
Once and for all Time will see us realign  
Diamonds rain across the sky  
Shower me into the same realm Calculate  
Our embrace  
Hold on (Come with me now)  
Right away  
Outer space with me  
Once and for all Time will see us realign  
Diamonds rain across the sky  
Shower me into the same realm  
Time will see us realign  
Diamonds reign across the sky  
I will lead us to the same realm When the coffin shakes  
And the needle breaks  
Come right away with me  
Come on you'll see  
Once and for all Time will see us realign  
Diamonds rain across the sky  
Shower me into the same realm  
Time will lead us to the same realm  
I will lead us to the same realm
