

All About Tonight

Blake Shelton

Don't bother telling me what I got coming in the morning
I already know
I got some feelgood pills and a red Gatorade by my bed
Ready to go
I'm gonna do my best to dance with every girl in this bar
Before they shut it down
Then I'll pay my tab, climb in a cab
Headin' to a spot downtown
It's all about tonight
Good times, and the music and laughing, and grooving to the band
Everybody's getting right
No worries, we're rocking all kinds of concoctions in our hands
Yeah, tomorrow can wait 'til tomorrow
It's all about tonight
Hey pretty thing
I've been looking at you since the moment that you walked in
I got some wild-ass buddies that love spending money
And I see you brought a couple of friends
Just tell me your name
I don't need your number or a date next Saturday
Baby, let's act like fools, break a few rules
Party the night away
It's all about tonight
Good times, and the music and laughing, and grooving to the band
Everybody's getting right
No worries, we're rocking all kinds of concoctions in our hands
Yeah, tomorrow can wait 'til tomorrow
It's all about tonight
Haha, slide
It's all about tonight
Good times, and the music and laughing, and grooving to the band
Everybody's getting right
No worries, we're rocking all kinds of concoctions in our hands
Yeah, tomorrow can wait 'til tomorrow
I said tomorrow can wait 'til tomorrow
It's all about tonight
Yeah, it's all about tonight
Come on, it's all about tonight
We're gonna get our swerve on, a buzz on

It's all about tonight
Come on, baby, I wouldn't worry about that
It's all about tonight
