All the People Sleep

TOPS

I knew that I could love you
When you and I look awayI see
Your eyes on meI know sometimes it's hard
And nothing seems rightI know when you look away
You're trying to find peace of mindAll the people sleepMay I wake up to
Only you and ISee the sunrise...
To the place where you and I
Lie
I knew that I would find you
Our two roads they lead the same wayTo the same place
Sometimes I hold my hand out into the rainIt's a feelin' that I can't explain
I foundPeace of mindBecause you're mineBecause you're mine...
Hold me closelyMay I wake up to
Only you and ISee the sunrise...
The place where you and I
Lie
...
Only you and I
See the sunrise
Only you and I
Only you and I
Only you and I
See the sunrise
Only you and I
Only you and I
Only you and I
See the sunrise
Only you and I
See the sunrise
Only you
Because you're mine
Because you're mine
...
