Obelix

Spermaids

Light feet
Runs towards me.
His eyes;
Dark green.

A good heart.
Wise and knowing soul,
Olden soul,
Dinosaur,
Sincere,
Open,
Playful,
Aware.

Obelix
Gives me what I need.
Not what
I want,
That is a deed.

ObelixÃ¢??s
Castle is
Far away.
The woods, his krypton.
The woods, a crib,
The woods, his home.
At home.

He wonÃ¢??t
Divulge
His pride
Supreme.
He hides
His tongue,
His words,
His song.
