

# Monks (HD & Lyrics 1080p) - Channel Orange

## Frank Ocean

Mosh pits and bare chest  
Stage diving sky diver  
Spray the crowd with cold water  
Now its mosh pits and wet tits  
I think I need a cold shower  
Cool waters  
African girl speaks in English accent  
Likes to fuck boys in bands  
Likes to watch westerns  
And ride me without the hands  
Show me her passport  
She's on her own tour But you're beautiful to me  
Wave 'em high girl to the sky  
But you're beautiful to me  
We're in the clouds  
Wave 'em high girl to the sky  
But you're beautiful to me  
Life in the clouds  
Keep em high y'all  
Beautiful stars  
In the sky Monks in the mosh pit  
Stage diving Dahli Lama  
Feet covered in cut flowers  
They mosh for enlightenment  
Clean chakra good karma  
One with the water  
Indian girl sleeps above the temple  
Planning a run away young at heart  
You found a boyfriend  
And now you wanna get away, get away  
Just a virgin lover on a getaway, get away  
And at sunset they're gonna try and get away, get away  
Abhaya Mudra I never ask for much  
But please keep up lover  
We've got no choices left  
The running's fast  
Run run run run  
You're beautiful to me  
Run run run run you'd better run

You mean so much to me  
In my world, in my world We made it safely  
Even with your father's army trailing us  
We escaped him  
Even with his archer's bows at our backs  
What a great escape  
But there's a long way still in fact  
We're lost in a jungle underneath these clouds  
There's a monsoon that never ends  
A coke white tiger woke us from our slumber  
To guide and protect us til the end We're in the clouds  
Wave 'em high now, to the sky  
But you're beautiful to me  
Keep em high y'all, show you right  
But you're beautiful to me  
Beautiful
