

Work It Out

Jerzee Monet

Hello, hey baby, hey look
Dinner'll be ready at eight
If youre not gonna be on time
Call me okay, I know, I know
But you know how you sometimes forget to call
Then I be worriedDinner date, always late
Didn't get a phone call
I cook, clean, pay bills
Still I make it homeWhat's going on, boy
Between me and you
We don't talk no more
Kiss no more
Don't know what to do butI don't wanna fight no more
Stayin up at night no more
This ain't feelin right no more
Let me know, can we work it out?
(Can we work it out)I don't wanna hurt no more
This ain't gonna work no more
Wanna make love no more
(I don't wanna make love no more)
Let me know, can we work it outWe both know that when we fight nobody wins
If I give in, will you give in so we can make amends
There's sometimes when I feel rough
Makes me wanna cry
I'm willin to put away my pride
I wanna make it rightI don't wanna fight no more
Stayin up at night no more
This ain't feelin right no more
Let me know, can we work it out?
(Can we work it out)I don't wanna hurt no more
This ain't gonna work no more
Wanna make love no more
(I don't wanna make love no more)
Let me know, can we work it outI don't wanna fight no more
Stayin up at night no more
This ain't feelin right no more
Let me know, can we work it out?
(Can we work it out)I don't wanna hurt no more
This ain't gonna work no more

Wanna make love no more
(I don't wanna make love no more)
Let me know, can we work it out
I just wanna work it out I don't wanna fight no more
Stayin up at night no more
This ain't feelin right no more
Let me know, can we work it out?
(Can we work it out) I don't wanna hurt no more
This ain't gonna work no more
Wanna make love no more
(I don't wanna make love no more)
Let me know, can we work it out
