## Bastille

Ooh i'm not ready x8Snakes are biting my heels  
They follow through the grass  
I'll keep kicking them away  
What if my resolve just can not lastIf i'm not ready  
Life will just eat me whole  
If i'm not steady  
Maybe i'll lose controlBut it's easier to bury  
My head in the sand sometimes  
Yes it's easier to bury  
My head in the sand sometimes  
And I know, I know, I know  
It's not the right way to go  
But I pray for the ground to swallow me wholeNow the sky is getting dark  
Can't you hear the thunder start to roar  
So i'll be picking up the pace  
Block out things i'd rather just not knowIf i'm not ready  
Life will just eat me whole  
If i'm not steady  
Maybe i'll lose controlBut it's easier to bury  
My head in the sand sometimes  
Yes it's easier to bury  
My head in the sand sometimes  
And I know, I know, I know  
It's not the right way to go  
But I pray for the ground to swallow me whole  
Yes I pray for the ground to swallow me whole(Bv's)If i'm not ready  
Life will just eat me whole  
If i'm not steady  
Maybe i'll lose controlBut it's easier to bury  
My head in the sand sometimes  
Yes it's easier to bury  
My head in the sand sometimes  
And I know, I know, I know  
It's not the right way to go  
But I pray for the ground to swallow me whole  
Yes I know, I know, I know  
It's not the right way to go  
But I pray for the ground to swallow me whole
