Hard to Handle

Gov't Mule

Baby here I am
I'm the man on the scene
I can give you what you want
But you've got come home with me
I have got some good old lovin'
And I got some more in store
When I get through throwin' it on you
You've got to come back for more
Boys and things that come by the dozen
That ain't nothin' but drugstore lovin'
Hey little thing let me light your candle
'Cause mama I'm so hard to handle now
Yes around
Action speaks louder than words
And I'm a man of great experience
I know you've got another man
But I can love you better than him
Take my hand don't be afraid
I'm gonna prove every word I say
I'm advertising love for free
So you can place your ad on me

Boys come along a dime by the dozen
That ain't nothing but ten cent lovin'
Hey little thing let me light your candle
'Cause mama I'm sure hard to handle now
Yes around
Baby here I am
I'm the man on your scene
I can give you what you want
But you've got to come home with me
I have got some good old lovin'
And I got some more in store
When I get through throwin' it on you
You gotta' come around and back for more
Boys and things that come by the dozen
That ain't nothin' but drugstore lovin'
Hey little thing let me light your candle
'Cause mama I'm sure hard to handle now

Yes around
Boys come along a dime by the dozen
That ain't nothing but ten cent lovin'
Hey little thing let me light your candle
'Cause mama I'm sure hard to handle now
Yes around
