Transform & Roll Out

The London Town Fire

Verse 1
The Question where Do I Begin?
The Day You're Over Fallen Dreams
The Script of Our New beginning

Pre-Chorus
And I've Tried to Tell You
But the Words They Never Want To Go Out
Don't Think This Came So Easy
Truth Be Told, You Knew You Had
This Coming
I Couldn't Have Said It Better

Chorus
Two Years Too Long
You've Kept Me
From Everything I wanted to be
Don't Hold Me Back
(Don't Hold Me Back)
Don't Hold Me Back
Two Years Too Long
You've Kept Me
From Everything I wanted to be
Don't Hold Me Back
(Don't Hold Me Back)
Don't Hold Me Back

Verse 2
A Short Story Between our Friends
This Broken Story Never Ends
They Won't Hold Back To Stop This
Display

Pre-Chorus
And I've Tried to Tell You
But the Words They Never Want To Go Out
Don't Think This Came So Easy
Truth Be Told, You Knew You Had

I Couldn't Have Said It Better

Two Years Too Long
You've Kept Me
From Everything I wanted to be
Don't Hold Me Back
(Don't Hold Me Back)
Don't Hold Me Back
Two Years Too Long
You've Kept Me
