Alice In Wonderland

The Dave Brubeck Quartet

Alice, pretty little Alice
Pretty little Alice in wonderland
Alice in wonderland
Oh, won't you take me by the hand
And lead me to your wonderland of love
I took one look at you
And that was all I had to do
Alice, you're the girl I'm dreamin' of
Tweedle dum, tweedle dee
You have made my life a fantasy
You don't know what you're doin' to me
My heart goes pitter patter
'Cause I'm mad as a hatter for
Alice my little girl

There is no other in this whole wide world
Take me by the hand, tell me you understand
Alice, Alice in wonderland
Tweedle dum, tweedle dee
You have made my life a fantasy
You don't know what you're doin' to me
My heart goes pitter patter
'Cause I'm mad as a hatter
Alice my little girl
There is no other in this whole wide world
Take me by the hand, tell me you understand
Alice, Alice in wonderland
Oh, Alice, pretty little Alice
Pretty little Alice in wonderland
